Dear Foundation Supporter,

The DeWitt County Farm Bureau Foundation Board of Directors wishes to thank you for helping make the goals of the Foundation possible. Since the Foundation's inception in 1995, we have appreciated the support of farmers, business people and others in improving the lives of students.

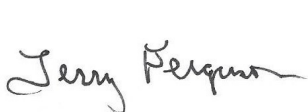

With your help, nearly 70 college students have received scholarships and more than 50 teachers have received assistance to attend the Summer Ag Institutes. Elementary students also have benefited through your support for Ag in the Classroom materials, such as Ag Mags and books.

To continue the Foundation's goal of educating students and teachers, and providing worthwhile educational experiences for the area's agriculture students, the Foundation will be hosting a golf outing at the **Clinton Country Club on July 28, 2017, starting at 8 a.m.** Door prizes, coffee and donuts, two drink tickets per golfer, and lunch are included.

If you are able to sponsor a hole or participate as a golfer this year, please return the enclosed form with your check, payable to the DeWitt County Farm Bureau Foundation. Please act fast and submit your registration before **July 14**—space is first come, first served. We'll see you there!

Sincerely,

DeWitt County Farm Bureau Foundation Board of Directors
